# MEMOIRS.

Benjamin P. Wheat was born in Addison, Steuben county, New York, July 4, 1811. He was converted when seventeen years of age. He was licensed to exhort in 1833, and to preach in 1833. In 1847 he was employed by Rev. G. W. Walker, of the Ohio Conference, to supply Franklin Circuit. In 1848 he was received on trial in the Ohio Conference, and appointed to the Lewisburg Circuit, and afterward to Vienna and Monroe Circuits.

When the Ohio Conference was divided he became a member of the Cincinnati Conference, and traveled Williamsburg, Georgetown, East White Oak and Aberdeen Circuits.

In 1857 he was transferred to this Conference, then Peoria, and appointed to Magnolia Circuit, where he remained two years. In 1859 he traveled Avoca Circuit; in 1860 Marshall Circuit, which was his last field of labor.

In 1861 he was granted a superannuated relation. In 1862 he attended Conference at Galesburg, where he said to a brother, "This is my last Conference. When you next meet I shall be in heaven." When returning from Conference he said to his presiding elder, "I have been to my last Conference. I shall not live long, and when I die I shall die suddenly." This prediction was true; for on the morning of Sept. 30th he was found sitting in his chair wrapped in death's embrace.

Thus suddenly and peacefully passed away our beloved brother. As a preacher, Bro. Wheat was far above mediocrity; as a pastor, he excelled. But he has gone. His virtues and excellences shall ever live in our memory. He rests from his labors, and his works do follow him.

Rev. S. B. Baker was born in Tompkins county, New York, January 3, 1815; was "born again" in 1842, and joined the M. E. Church; was married Jan. 27, 1845, to Miss Phebe I. Ellis. In the fall of 1850 came to Western Illinois; was licensed to preach the gospel in 1851, and recommended to the Rock River Conference—was received, and sent to Henry Circuit; was appointed to Prophetstown Circuit in 1852; at the close of this year was ordained Deacon; the next year was sent on to the Moline Circuit; in 1854 was appointed to the Union Grove Circuit, and at the close of this year was ordained Elder; in 1855 was appointed to Camden Circuit; when the Conference was divided he fell into the Peoria Conference, and was, in 1856, on the New Boston Circuit; at the close of this year he located to seek a support for his family by labor, but continued to preach as often as he could; in 1860 he was readmitted into the Central Illinois Conference and sent to Olena Circuit, and was returned to the same circuit the next year; in 1862 was sent to the Fairbury Circuit. He was unavoidably detained from starting at once to his work, but went as soon as possible. When within ten miles of Fairbury he was taken suddenly and violently sick with pneumonia. He received faithful and constant attention from his brethren and friends, but in spite of all effort to save him from death, he fell sweetly asleep in Jesus on the 13th of November, 1862. He exclaimed, as he grappled with the monster, "Oh, it is sweet to die when we have Jesus with us!" Bro. Baker was a good man, a useful preacher, a kind husband and father, a devoted friend and Christian, beloved by all who knew him. Peace to his ashes

Rev. Joseph O. Gilbert was born in Madison county, New York, April 24, 1808. At the early age of eight years he experienced religion, and, his parents being members of the Baptist Church, at the age of twelve he united with that denomination, and was licensed by them to preach at the age of fifteen. In his mature age he became dissatisfied with some of the usages of the Baptist Church, applied for and obtained a certificate of good standing in said church, and honorably withdrew from their communion.

He united with the M. E. Church in Washtenaw county, Michigan, in 1836. In 1839 he was licensed to preach in Adrian, Mich., and in 1847 he was admitted into the Rock

River Conference and appointed to the Monmouth Circuit, the next year to the Rock Island station. About this time he became almost blind, and was located at his own request. Soon after he crossed the plains to Oregon and California for the benefit of his health. While there he preached among the mountains to the miners. After an absence of fourteen months he returned, and again united with the Rock River Conference and was appointed successively to the following appointments: West Bureau one year; Wethersfield and Kewanee two years; Canton Station one year, and Galesburg two years At the close of this year his health failed, and he was granted a superannuated relation, which he continued to sustain until his death.

Bro. Gilbert early felt his call to preach. In his preaching he was plain and practical, and often full of unction and power. In fact, as a preacher he excelled. Many through his instrumentality were brought into the kingdom of God. His last sickness was short and very severe. From the first he was conscious that he must die, but he was ready—"All is well." He died the 10th of February, and rests from his labors.

Rev. J. C. Knowlton was born in Rome, Mass., July 22, 1826; was converted in February, 1839; emigrated to Illinois in June, 1849, and was licensed to preach in 1854. In 1855 he was received on probation in the Peoria (now Central Illinois) Conference, and appointed to the Reading Mission. The next year, owing to ill health, he was discontinued at his own request. At the Conference of 1858 he was readmitted, after which he served the following charges: Lafayette one year; Chillicothe two years, and at the Conference in Lacon was ordained Deacon and appointed to the Smithville work. About this time the country was calling loudly for men, and after conferring with his brethren and making the matter a subject of prayer, was made to feel that it was his duty to go into the field; accordingly he enlisted in the 11th Illinois Cavalry, raised a company and became Captain of the same. In the army he was much beloved by his men, as a soldier and Christian minister. He was in the service one year, participating in the battles of Shiloh and Corinth. His health finally failing, he resigned and came home. In December last his health having somewhat improved, he was employed on the Oneida work with W. J. Smith; but death had marked him as its victim. His work was well nigh done. He sweetly fell asleep in Jesus Feb. 23, 1863. Just before he died he was asked, "Is Jesus with you?" He replied, "Is Jesus with me? Yes, Jesus is with me. Glory to his name." His last message to the brethren of his Conference was—"Tell my brethren that the blessed gospel I have preached to others in so much weakness, sustains me in affliction, and will in death." Bro. Knowlton was a good preacher and pastor, and all who knew him loved him. Let others imitate his virtues and follow him as he followed Christ.

Rev. D. O. Carmac was born January 27, 1834, in Frederick City, Maryland; experienced religion when quite young and joined the M. E. Church; was admitted into the Western Virginia Conference in 1854, and successively filled the following appointments: Wayne, Charlestown, Malden, Ripley and Williamstown; was married April 8, 1857, and was ordained Elder by Bishop Ames in 1858. The following year he located, and in 1852 was readmitted into the Central Illinois Conference and sent to the Pleasant Hill Circuit, where he finished his course in great peace August 10, 1863. During all his affliction he was cheerful and happy, always having a smile for all who visited him. He was in labors abundant, and, having accomplished those labors, has gone to his reward, leaving a wife and three children to follow on.

Rev. Peter I. Williams was born in Mercer county, Pennsylvania, Sept. 10, 1835. At the age of seventeen he embraced religion and joined the M. E. Church, after which he moved to Rock Island county, in this State. Soon after he received license to exhort, and being very successful as an exhorter, in a short time he was licensed to preach. In the fall of 1859 he was admitted in the Central Illinois Conference on trial, and appointed to the Minonk Circuit, which charge was his work two years.

He was married to Miss C. S. Colt, of Rushville, at the close of the first year. At the Conference of 1861 he was appointed to the Milford Circuit, where he labored very acceptably until he went into the service of his country, when a random shot, not known certainly whether it came from a friend or enemy of his country, inflicted a wound in his thigh which resulted in his death. He died as he lived, full of hope and confidence. Bro. Williams was a devoted Methodist preacher. Though his ministerial career was short, his labors on all his works were crowned with success. He finished his course, he kept the faith, and now is honored with a crown of life that shall never fade.

# REPORTS.

## 1. ON THE STATE OF THE COUNTRY.

As Christian ministers, sharing with other citizens the blessings of legal protection, and pledged by our articles of religion to allegiance to our government, we regard it as proper to give expression to words of encouragement to the administration in its efforts to maintain the integrity of the Union, of cheer to our brave men in the field, and of sympathy with families clothed in mourning by the sad incidents of war, therefore hereby

*Resolved*, 1. That we are firmly devoted to the Union of the States, and to the government our fathers gave us, and that we will heartily sustain the administration in its efforts to put down rebellion, and to punish treason wherever it is found.

2. That the brave men who have sacrificed the comforts of home, and periled their lives in defence of the government, are entitled to our warmest gratitude, and that we will cherish the memory of the heroic dead as the martyrs of liberty.

3. That the lonely families of those in the army, and the friends of those that have fallen, shall have a place in our sympathy and prayers.

4. That we recognize the soldiers' aid societies, organized by the loyal ladies of the country to furnish alleviations and comforts for the sick and wounded, as deserving our most active co-operation.

5. That we gratefully recognize the hand of God in the success with which he has crowned our arms, and that we will not cease to pray that the nation may come out of its trials purified, our institutions rendered permanent, and our people united in reverence for his holy will.

6. That we regard those misguided men in loyal states who oppose the vigorous prosecution of the war, either by lessening the confidence of the people in the government, by interposing obstacles to the reinforcement of our armies, or who, by sympathy with treason, encourage rebels to prolonged resistance, as chargeable with the blood of our slaughtered brethren, and as having acquired an infamy meriting the abhorrence of all good men.

7. That the promptness with which the American citizen of African descent has responded to the call of his country, and the daring with which he has met the ruthless foe, excites our admiration, and should secure to him all his rights as a man; and that any proposition to reconstruct the government when the rebellion shall be subdued that does not recognize his natural rights, or that would leave any of his race in bondage, should be spurned as subornation to crime.

## 2. ON EDUCATION.

CANTON, Ill., Sept. 19, 1863.

*To the Bishop and Members of the Central Illinois Conference of the M. E. Church:*

DEAR FATHERS AND BRETHREN: Your Committee on Education would respectfully beg leave to present the following report; viz.,

After a careful scrutiny of the various papers and documents referred to their consideration, and free conversation with the official representatives of the various literary institutions under the care of the Conference, they are happy to be able to report real progress during the past year, as well as brighter prospects for the future. Notwithstanding the untoward influences of the unholy rebellion that is cursing our land, there is manifested, both on the part of ministers and laity, an increasing interest in the cause of Christian education; while, contrary to all that might reasonably have been anticipated during this season of civil war, all our institutions report a large increase of attendance at the opening of the new academical year. And we can but indulge the hope that, in view of the present fortunate organization and geographical location of our

literary institutions, a brighter era is dawning upon the educational interests of the Central Illinois Conference; and that the day is not distant when our Conference institutions, by energetic effort and a prudent limitation and concentration of effort upon them, to the exclusion for the time being of all new and doubtful enterprises, may be placed upon a permanent basis, and be made at once an honor and a blessing to the Church and to the community at large.

### ILLINOIS WESLEYAN UNIVERSITY.

The reports from this institution indicate rapid and unmistakable progress in all the real elements constituting a true college or university. The second week of the present term opened with 116 students, being double the average attendance of any preceding term, and fourfold the attendance at the corresponding period of the last collegiate year—a fact which speaks volumes for its future growth and progress.

Large and very valuable additions have been made to its Museum of Natural History (*now one of the best in the state*), and to its chemical, philosophical and astronomical apparatus, among which should be noted as especially worthy of attention a fine achromatic refracting telescope, of five inches aperture and six and a half feet focal distance, from the celebrated manufactory of Henry Fitz, of New York; so that the University now offers rare facilities to young men for the practical study of the various natural sciences.

Corresponding advancement has, at the same time, been made in the organization of the faculty by calling the Rev. C C. Knowlton, A. M., of your body, to the Chair of Ancient Languages, and by the employment, for the year, of an accomplished teacher in the Primary Department.

Additional facilities in the way of handsomely furnished recitation rooms have also been provided. A beautiful hall has been fitted up and furnished for the use of the literary societies; an ample room, tastefully fitted with glass cases, has been arranged for the use of the Museum of Natural History; and a good bell, weighing 750 pounds, has been placed in the belfry without cost to the University, while its finances have been maintained in a healthy state. Therefore,

1. *Resolved*, That we heartily endorse the Illinois Wesleyan University and earnestly commend it to our people who seek, either for themselves or for their sons, the benefits of thorough classical or scientific education, as an institution offering rare facilities to the earnest student; and that we will, individually, constitute ourselves recruiting agents to fill its halls with students.

2. *Resolved*, That the presiding Bishop be respectfully requested to re-appoint Rev. Oliver S. Munsell, D. D., President of the University, and the Rev. C. C. Knowlton, A. M., Professor of Languages.

3. *Resolved*, That we will continue to recognize Rev. C. W. C. Munsell as our Agent for the University, and that we will heartily co-operate with him in his labors.

4. *Resolved*, That Revs. D. C. Benjamin, J. S. Cumming, and Zadoc Hall, and C. W. Holden, Esq., be appointed Trustees to fill vacancies occurring at the present session of our Conference.

5. *Resolved*, That Revs. P. T. Rhodes, John Borland, B. Applebee, P. A. Crist, J. H. Rhea and R. Pierce be appointed a Visiting Committee for the current year.

### HEDDING SEMINARY AND CENTRAL ILLINOIS FEMALE COLLEGE.

Notwithstanding the disastrous influences of the war, this institution has steadily advanced in its noble work. Its roll for the opening term of the new year shows an increase of thirty-three per cent, as compared with the last year, although many of its former pupils are in the army, fighting bravely and nobly in defence of their country.

During the past year eighty young ladies and forty-five young gentlemen, or, in all, one hundred and twenty-five students, have been in attendance. The school is organized on a self-supporting basis, while there is good ground to hope that, by a little energetic effort on the part of its friends to carry out and complete the conditional subscription so auspiciously begun, its debts may be liquidated and the Seminary placed on a permanent basis. Therefore,

1. *Resolved*, That we are highly gratified to hear of the continued prosperity of Hedding Seminary, in despite of the condition of the country consequent upon the slaveholders' rebellion.

2. *Resolved*, That we re-affirm our confidence in Hedding Seminary, as conducted by its present able Principal, Prof. John T. Dickinson, and the efficient corps of teachers associated with him.

3. *Resolved*, That we will cheerfully co-operate with the Trustees and Financial Agent in their efforts to relieve the institution of debt.

4. *Resolved*, That Revs. F. Smith, R. Haney, A. Fisher and Wm. Underwood be appointed Trustees; and that the Preachers stationed at Galesburg, Knoxville, Avon, Prairie City, Berwick and Abingdon Circuit and Station, be appointed Visitors to attend its annual examinations.

5. *Resolved*, That the presiding Bishop be requested to appoint Rev. F. M. Chaffee, Financial Agent.

### GRAND PRAIRIE SEMINARY.

*Whereas*, The citizens of Onarga, Iroquois County, and the ministers and membership of our church in the bounds of Middleport District, have organized a corporation, under the statutes of the state of Illinois, for the purpose of erecting in the town of Onarga suitable buildings, and opening a *Seminary* for the education of the youth of both sexes in said district; and,

*Whereas*, Said corporation has asked for the official patronage and fostering care of the Central Illinois Annual Conference, and has given satisfactory assurances of their intention and ability to establish a *Seminary*, in the proper sense of that term, and worthy of the name, as well as to erect and complete the same unincumbered with debt; and,

*Whereas*, We believe such an institution is needed in that section of the Conference, and that it will not only not interfere with, but will, on the contrary, only properly supplement the other institutions now enjoying the patronage of the Conference; therefore,

1. *Resolved*, That we cordially extend to the Grand Prairie Seminary our sympathy and patronage.

2. *Resolved*, That the presiding Bishop be respectfully requested to appoint Rev. G. W. Gray, A. M., Principal, and the Presiding Elder of the Onarga District, Agent of Grand Prairie Seminary.

3. *Resolved*, That the preachers stationed at Dwight, Middleport, Onarga, Loda, Fairbury, Chebanse and Ash Grove be appointed a Visiting Committee for the current year.

### MERCER FEMALE COLLEGE.

*Resolved*, That in accordance with the request of the Trustees of the Mercer Female College at Keithsburgh, the presiding Bishop be requested to appoint Rev. C. M. Wright, A. M., Principal of that institution.

### THE BIBLE AND COMMON SCHOOLS.

Your Committee being deeply impressed with the necessity of moral instruction as a co-ordinate branch of education in our Common Schools, and being convinced that no system of moral instruction can be depended upon as thorough and efficient without the use of the Bible, would respectfully report the following resolutions for the adoption of this Annual Conference; viz.,

1. *Resolved*, That we regard the Bible as the only authoritative text-book of morals extant, and believe that its teachings have been so graciously adapted, by its Divine Author, to the capacities of the youthful mind, that if diligently studied in our Common Schools it is able to make our children wise unto salvation.

2. *Resolved*, That we earnestly recommend the introduction of the Bible into all the Common Schools of the state, as a book of reading and study; believing that a more general knowledge of its precious contents, and a more strict observance of its sacred precepts will but promote the political, social and domestic happiness of our people, and will afford us the only security for the stability of our government and the perpetuity of our free and happy institutions.

### STATE SUPERINTENDENT OF PUBLIC INSTRUCTION.

*Whereas*, John P. Brooks, a member of this body, has been called by the suffrages of the people of the state of Illinois to fill the office of State Superintendent of Public Instruction; and,

*Whereas*, We deem such a calling a fitting and appropriate public recognition of the fundamental and indissoluble relation between true education and the Christian religion; therefore,

*Resolved*, That we respectfully request the presiding Bishop to return the name of

John P. Brooks upon the Minutes as Superintendent of Public Instruction in the state of Illinois.

*Resolved*, That, in accordance with the resolution of last year, O. S. Munsell, G. W. Gray and A. D. McCool, be appointed a Standing Committee on Education to prepare for and conduct our Educational Anniversary at our next annual session.

All of which is respectfully submitted.

Signed in behalf of Committee,

O. S. MUNSELL, *Chairman.*

## 3. ON SUNDAY SCHOOLS.

The Committee on Sunday Schools beg leave to report that there has been a decrease during the year of three schools; an increase of 702 officers and teachers; 2,764 scholars; of 6,750 volumes in library, and $138 76 in the amount raised for the Sunday School Union.

We also submit the following resolutions for adoption:

1. That the Sunday School is not merely an appendage, but an *integral* part of the church.

2. That we look upon the Sabbath School as the training department of the church for laying the foundation of the intelligence and usefulness of her future membership and ministry.

3. That we educate our people to give preference to our publications in purchasing Sunday School Books.

4. That we respectfully request our Book Agents to publish, at as early a day as possible, a teachers', officers' and bible class library.

5. That the graduated series of text-books published by our Book Concern, at the request of the last General Conference, are eminently suited to the wants of our Sunday Schools, and we earnestly recommend that they be adopted in all our schools.

6. That in making out our statistical reports we will follow the "Preacher's Manual," which defines Bible Classes as those taught by the pastor, or some one approved by himself, and that Infant Classes are those only that are taught orally.

7. That we recommend all our Sunday School officers and teachers to read the "Teachers' Journal."

8. That we are utterly opposed to the suspension of any of our Sunday Schools during the winter season.

9. That in those districts where no District Sunday School organization exists, we recommend the Presiding Elder, at an early day, to call the preachers, Sunday School officers and teachers of the district together, and organize a Sunday School Society, and in all the districts there be held regular meetings of the organization, in such numbers and places as that all the Sunday School officers and teachers may be reached, that a fair proportion of the time be spent in inquiry after the best methods of conducting classes and schools.

10. That singing forms an important part of Sunday School instruction, and that we urge upon the pastors and superintendents the importance of giving more attention to it in all our schools, and that among the best singing books for the purpose is the "Sweet Singer," lately published by our Book Concern.

A. C. PRICE, *Chairman.*

J. L. HARRIS, *Secretary.*

## 4. ON THE BIBLE CAUSE.

Your Committee on the Bible Cause beg leave to report for adoption the following resolutions; viz.,

1. *Resolved*, That we have full confidence in the American Bible Society.

2. *Resolved*, That the plan adopted by Rev. A. Lord, General Agent for Illinois, for supplying the destitute and raising funds, has proved to be more efficient than any system adopted by sister states; as, for example, this state remits more, annually, to the Parent Society than the total amounts from Missouri, Iowa, Minnesota, Michigan, Indiana and

Wisconsin. Depositories in every township, local agents in every school district further prove the excellency and efficiency of this plan.

3. *Resolved*, That the fact that this state has paid to the Parent Society at New York, over and above its expenses, forty-one thousand dollars for the year ending March 1, 1863, calls for praise and gratitude to the God of the Bible for his blessing which has attended the labor of his servants the past year.

4. *Resolved*, That the Bible Cause is our cause, in common with all other branches of the Christian church, and that we will co-operate with the agents of the society, when they visit our charges, assist them in carrying out their plans, present the subject to our congregations, in their absence, take collections and attend to the distribution of Bibles and Testaments in our pastoral labors.

5. *Resolved*, That the labors of the American Bible Society, and its auxiliaries, since the war commenced, in supplying the army and navy with nearly two million copies of the Scriptures, is a work which commends itself to the prayerful regard and generous support of every Christian and patriot in the land.

6. *Resolved*, That the spirit of the age and the condition of our country, demand renewed and increased efforts on the part of every Christian minister, layman and patriot in the work of Bible distribution.

7. *Resolved*, That we will endeavor to make as full reports as possible of the amounts contributed by our congregations.

WM. HANEY.
G. G. WORTHINGTON,
L. P. CROUCH.

## 5. ON TRACT CAUSE.

The Committee on the Tract Cause present the following report:

The receipts at the last session of our Conference were $75.40. The receipts of the present session are $149.73—showing an increase of $74.33.

Your Committee are glad to report this increase over the receipts of last year, yet would respectfully urge renewed effort in behalf of so worthy a cause; therefore,

*Resolved*, That we *will* give increased aid and influence in promoting its interests and securing its ends.

*Resolved*, That, as a means of so doing, we will take up collections in our several charges during the incoming conference year.

F. R. BOGGESS,
B. E. KAUFMAN,
JAS. FERGUSON,
In behalf of Committee.

## 6. ON TEMPERANCE.

Your Committee on Temperance beg leave to report as follows:

*Whereas*, We have seen with pain and increasing anxiety for the future welfare of our country, the growing influence of the sale and use of intoxicating liquors in our land, and in view of the increased temptation to the use of such liquors by our youth in the army, we are more than ever impressed with the necessity of energetic, methodical and persevering effort to withstand this evil; therefore,

*Resolved*, That we will, by speech in public and in private, from the pulpit and from the stump, through the press, and in every appropriate manner, and on all proper occasions, discountenance and condemn the manufacture, sale and use of intoxicating liquors—whether in the form of wines, either made of the grape, currants or other berries, lager beer, fermented cider, whisky, ale or brandy. And, further, will urge the necessity of active efforts to destroy the use and traffic on the one hand, and on the other to keep from the very appearance of evil in this matter, by refusing ourselves and advising others to refuse having any connection with liquor establishments, by way of renting rooms, houses, buildings or tenements, or selling corn to be manufactured into such liquors. And, God being our helper, we will endeavor to reclaim the drunk-

ard and moderate drinker, and do whatever we can to save our country from the ruin that threatens, and is falling upon thousands of our fellow-men, from this great curse.

*Resolved*, That, as the use of intoxicating liquors is not the only mode of intemperate indulgence, but, in the use of tobacco, opium, &c., many are injured and, in some of these regards, good men, and even ministers, do greatly err and injure their health and usefulness, as well as set a bad example to others, we do recommend all interested to make these matters subjects of prayer and self-examination before God, and heartily to repent and turn from their evil ways, that God may be honored in our bodies as well as our spirits which are his.

(Signed.) C. M. WRIGHT,
JOB MILLS.

## 8. ON PEORIA WESLEYAN SEMINARY.

The Committee appointed at the last session of Conference to investigate the affairs of Peoria Wesleyan Seminary, report:

We submit herewith the statement of the Committee appointed by the Trustees to settle up the claims and liabilities of that Seminary, which shows that all the property has been disposed of, and all indebtedness paid off, with a single exception, leaving in the hands of the committee $134.27, and note on M. E. Church in Peoria of $300.00, and some claims which are not considered reliable, to wit: lumber sold E. Stone; also some window frames considered worthless. There is still a claim in favor of Rev. John Chandler (the Traveling Agent, balance of salary) of $302.62 against the Seminary.

We therefore recommend that the Conference direct the payment of the funds on hand to liquidate the debt against the Seminary, and to take such measures to dispose of the balance as in their judgment they may see fit.

J. S. CUMMING.

# RESOLUTIONS AND LAW QUESTIONS.

*Whereas*, Our Swedish brethren, feeling the absolute need of a paper in their own language, in which they could defend our doctrines and church against the continued assaults of opposers, have started such a paper, under the name of "*Sandebudet*" (The Ambassador), which is now issued weekly, and which, up to this day, has been self-sustaining, with the exception of the editorial work, which has been gratuitously given to it; therefore,

*Resolved*, That we, the members of the Central Illinois Conference, in conference assembled, do hereby instruct our delegates to the next General Conference to use their best endeavors to have the General Conference adopt said paper as a regular church paper, to be conducted on the same plan as our other church papers, and in case of such adoption to appoint its editor and provide sufficient means to pay for its editorial work.

*Resolved*, That we will recommend our official and influential members to furnish by some means the pews of our churches with a certain number of hymn books, in order that our singing may thereby be improved

*Resolved*, That a committee, consisting of J. G. Evans, O. W. Pollard and G. W. Gray, be appointed to procure blanks, and a book corresponding thereto, for the use of the Conference, according to our present rules and regulations.

*Resolved*, That we approve of the editorial course of Dr. Eddy, in the *Northwestern Christian Advocate*, and that we request our delegates to vote for and use their influence in favor of his re-election.

*Resolved*, That our delegates to the General Conference be requested to use their influence to secure a disciplinary provision, limiting the time during which any man may hold the office of Presiding Elder to four years in eight.

*Resolved*, That we hereby tender to the pastors and membership of the various churches, and to the citizens of Canton, our hearty thanks for the Christian courtesies and generous hospitality extended to this Conference during its present session.

*Resolved*, That the thanks of this Conference is due our beloved Superintendent, Bishop Scott, for the Christian and gentlemanly manner in which he has presided among us, and we tender him our hearty thanks, and will pray for his future health and happiness.

*Resolved*, That the thanks of this Conference are hereby tendered to Rev. C. Springer for his diligence and faithfulness in providing for our comfort during our stay in Canton.

The following law questions were proposed to the Presiding Bishop:

I. "When a superannuated member of a sister Conference, residing in the bounds of our Conference, concludes to withdraw from the church, can the Presiding Elder where he resides give him a certificate of withdrawal?" Answer, "No."

II. "Is a brother under obligations to attend the taking of depositions, when the time specified for the taking of said depositions will necessarily prevent his reaching the opening session of his Conference?"

Answer, "The duty of a Methodist traveling preacher to attend the session of his Conference is fundamental and paramount. It is therefore not his duty to attend the taking of depositions when the time specified for taking them will necessarily prevent him from being present at the opening session of his Conference."

III. "When a local preacher, holding parchments from a sister church with whom we have no fraternal relations, is received into our church, and refuses to have his orders recognized according to our usages, should his Presiding Elder forbid him to exercise his office as a Deacon or Elder?" Answer, "Yes, most assuredly."

# A WORD

TO THE

## MEMBERS OF THE CONFERENCE.

Dear Brethren—

Preparing the Detailed Missionary Report for the press is quite a task, and he who has the work to do should receive all the assistance possible from the pastors. Having had some experience, I would beg the privilege of making the following suggestions:

1. In taking your Missionary subscriptions, be careful to get the correct orthography of the contributors' names.

2. Procure a small blank book in which to make out your detailed report.

3. Write (names especially) in a plain hand.

4. On the first page write the name of the district to which your charge belongs.

5. On the second page write the name of your work, and immediately after it commence your report.

6. Give the names of the contributors in the order of the size of the contributions, beginning with the largest and ending with those who have given fifty cents.

7. Follow this with the amount given by your Sunday Schools.

8. For sums under fifty cents say "cash," including the total of such smaller contributions in one amount.

9. Give but one summing up, and be sure that your calculation is correct, and that it agrees with your report to the Treasurer and Statistical Secretary. (I had to make several corrections this year to make the detailed reports agree with the Treasurer's book.)

10. Make a calculation and give your average per member, immediately under your sum total.

11. Sign your name as pastor

12. In the back part of the book give a list of the names of those who are to be constituted life members of the Parent or Conference Missionary Societies—giving first the list for the Parent, and then for the Conference Society.

13. Have this work, if possible, all done before you come to Conference, so that you may furnish the Missionary Secretary your reports on the first day of the session, and you will greatly oblige my successor, Brother A. Bower.

### COURSES OF STUDY.

The Classical Course is that usual in the best Universities in the land. The Scientific has been re-arranged with a view to the special wants of the Agriculturists of the State, and presents unusual inducements to the Student of Natural History. The course of Instruction is strictly practical, and is illustrated by the use of a very extensive and valuable Museum of Natural History, comprising some 4000 specimens in Geology, Eleven Hundred Salt Water, and One Thousand Fresh Water and Land Shells. One hundred specimens in Ornithology—a nearly complete collection of the Flora of Illinois—an extensive Entomological Collection (will be here in the winter)—besides various miscellaneous items. We have also secured additional Chemical, Philosophical and Astronomical Apparatus (costing $800.00), including a fine Achromatic Refracting Telescope—five inch aperture and six and a half feet focal distance; thus offering unusual facilities for the study of the various Natural Sciences. We have also the nucleus of a good Library of 1000 volumes.

We would specially call attention to our new department of Vocal Music, under the care of Prof. H. C. DeMotte.

This instrument is designed expressly for public and private Schools, Public Halls and small Churches.

After having finished and sold over 30,000 Melodeons of our usual varieties, we found that something different was needed to meet the wants of Schools, small Churches and Public Halls. We think that we have succeeded in producing an instrument which is unrivaled in tone, brilliancy, compass, and (last though not least) *cheapness*. It has nearly double the volume of tone of our $150 Double Reed Melodeon, and this is produced by the greater capacity of bellows and sounding board, in connection with *a peculiar method of voicing the reeds*.

The *Graduated Swell* and *Divided Swell* are attached to this instrument, and we think the effect is superior to anything we have produced before. The advantages of this instrument are—

1st. It has more compass than any other double reed instrument ever offered at the same price, the smallest being *four and a half octaves*, which is the usual compass of the key-boards of the largest organs, and the largest full *five octaves*.

2d. It has more volume of tone than any reed instrument ever offered to the public at double the price.

3d. It has two stops, by means of which the tone can be modulated to suit all occasions.

4th. It has the *Divided Swell*, which is only to be found in melodeons of our manufacture.

5th. It has the "Graduated Swell," which is admitted to be the most desirable improvement ever added to melodeons, and which is patented by us, and used exclusively in our instruments

6th. It has the "Improved Valve," or pallet, being a combination of cloth and leather, insuring the durability of the instrument, and long needed as a substitute for the India rubber valve, *which has caused so much trouble by dissolving and sticking of the rubber*.

Finally, it *meets the wants of those for whom it was intended*.

We have a large force of workmen employed exclusively in the construction of these instruments, and our facilities for manufacturing are such that we can fill all orders promptly.

**Particular Notice.**—The public will bear in mind that these instruments have *two sets of reeds tuned in octaves*, and the volume of tone is nearly double that of any other reed instrument of the kind. Also, that the *Basso Tenuto* or *Sub-Bass*, which we patented on the 24th of June, 1862, is attached to all our School Organs without extra charge.

## YOU NEVER TIRE

OF THE

# MASON & HAMLIN CABINET ORGAN,

For these reasons: 1st. The quality of tone is such that it does not pall upon the taste, like a diet of candy. While it has great purity and sweetness, it can be made solid, sonorous and powerful.

2d. The Double Bellows enables you to keep an abundant supply of wind with but little exertion.

3d. The Automatic Bellows Swell, which we unhesitatingly pronounce the greatest invention of modern times for instruments of this class, enables you by the mere act of blowing to produce tones from the most delicate to the most powerful, by rapid, or by almost imperceptible gradations.

4th. In instruments with two sets of reeds, a "knee-stop" obviates the necessity of taking the hands from the key-board, in changing from one to both, or *vice versa*.

5th. They are so well made that, whether large or small, in oak, walnut or rosewood cases, oiled or polished, plain or ornamented, they are always agreeable to the eye and ear, as they are of fine form, keep in tune, and do not get out of order.

All orders by mail as carefully attended to as if the purchaser were present.

☞ We do not expect for customers those who are looking for *cheap* instruments, but shall be glad to see all who want *good* ones.
